

Water sports summer camp 2019

Singapore school Cebu
& scotty's action sport network

General Information

In this presentation you can find all activities Scotty's can offer for the water sports summer camp; they are arranged by group and detailed by activity

- Participants can select and combine any activities as long as the requirements and timeframes are respected
- Licensed programs may be joined by other participants
- Start and finish times are arrival and departure to and from the water sports center
- Participants should bring swim gear, sunblock, extra clothing and some money for drinks and snacks
- Parents, family and friends are welcome to join

General Information Continued

- All activities include towels, water, changing room, lockers and hot showers
- Additional drinks can be purchased at the water sports center
- All equipment required for activities and courses, will be provided by the water sports center
- The Shangri-La grounds are patrolled by Shangri-La security staff. Should you wish to provide your own security as well, this can be arranged
- Prior notice will be given in case of force majeure through Viber

Earn a lifetime certification...
Valid throughout the world...

S.C.U.B.A.

SSI versus PADI

- We operate mainly under SSI, since we are a **SSI Diamond Instructor Trainer facility**
- However, most of our instructor staff is able to teach in both agencies
- PADI requires an online payment for eLearning directly to them, so prices may differ. Please approach us for further information
- Both agencies are globally recognised
- No difference in academics or in-water training
- Certifications through both agencies are valid for life
- Both agencies recognise each other

S.C.U.B.A. - Entry level explained
